**Special ATR BULLETIN 2007-12
May 22, 2007**

Federal Tax Exemption for Local Government Agencies

This bulletin is to inform you that CALNET 2 Master Service Agreements (MSA) (Appendix B, Model Contract Language, Section 60, Service Taxes, Fees, Surcharges, and Surcredits) contain provisions that allow local government agencies to apply for an exemption from all federal taxes that would be applicable to services offered on CALNET 2.

Agencies are responsible for requesting this exemption (Federal Excise Tax form) directly from the Contractor. AT&T and Verizon Business will make these forms available on their respective CALNET 2 public websites. It is anticipated that AT&T's form will be available on May 15, 2007. Verizon will have their form available by June 24, 2007. Customers may access these websites through the CALNET website (CALNET.ca.gov). If you have questions regarding this provision, please contact your AT&T representative for MSA's 1 and 2, and your Verizon Business representative for MSA's 3 and 4.

If you have questions regarding this ATR bulletin, please contact a DTS Representative at (916) 657-9150.
